EXPERIENCE

ASUCD Creative Media | Project Manager July 2024 - June 2025

- Led creative strategy and digital marketing for 16+ major events, implementing data-driven campaigns and user engagement tactics that doubled @ASUCDOfficial's social following to 11K+ and attracted 9,000+ in-person participants for the Associated Students of UC Davis.
- Developed and launched a new brand system, including ASUCD's mascot Dottie the Cow and a modernized, scalable brand guideline—enhancing usability and cross-unit design consistency.
- Managed a 13-member creative team and oversaw cross-functional projects such as the Moo-vin' Moo-seum bus wrap (Gold ADDY Awards) and ASUCD's first digital sponsorship packet, streamlining outreach across departments.

ASUCD Creative Media | Lead Designer July 2023 - June 2024

- Designed a marketing campaign for 2024 ASUCD Spring Elections that increased voter turnout by nearly 10%, resulting in 24% of the student population voting.

ASUCD Creative Media | Graphic Designer July 2022 - June 2023

- Developed branding identity and merchandise for Sunset Fest 2022, headlined by Remi Wolf.
- Produced graphics, layouts, and marketing materials for campus-wide events consistent with ASUCD's branding guidelines.

UC Davis Design Interactive | Project Mentor Oct 2023 - Dec 2023

- Facilitated team communication, identified and addressed issues, provided feedback, and monitored team progress for a six week sprint developing a comprehensive trip planning platform.

UC Davis Design Interactive | UI/UX Design Associate April 2023 - June 2023

- Designed a centralized mobile application in Figma to improve accessibility of UC Davis Memorial Union resources, using wireframes, prototypes, and usability testing to refine the user journey.
- Scripted, conducted, and synthesized 17 interviews and 7 user tests.
- Developed low-fidelity wireframes into high-fidelity prototypes.
